Emma Bryer is an experienced dog trainer with a passion for animals, helping to improve your dog's behaviour with a no nonsense approach.

EMMA BRYER
DOG TRAINER

With such an abundance of information available on how to train your dog, often containing conflicting advice, it can be hard to know what's best for your pet. This can lead to confusion for you and your dog; you want to do the best for them but they don't know what's expected.

To help eliminate this confusion, Emma Bryer offers a range of effective training options. This can be 1:1 training or small group training (maximum of 4 people), both of which are offered as a day course or split over six weeks. Emma also offers one or two hour confidence boosting lessons, and one-and-a-half hour livestock chasing lessons.

If you'd like to find out more information on how Emma can help you increase your confidence and transform your dog's behaviour, head to the website or get in touch using the contact details below.

CHINESE CHUANDONG HOUND

An ancient breed dating back to 206 BC

We are proud to have imported the first of this unique breed into the U.K. There are now twenty here with puppies we have bred from our five original dogs. The Chuandong Hound is not only rare but very different from any other breed with their sparse single coat that does not shed, black spotted tongue, pricked ears and erect short tail, the breed looks like no other. They are highly intelligent, loving and loyal to all family members especially children who they adore, with many cat like characteristics e.g. the way they play and keep themselves immaculately clean, a medium sized dog with a life span of 16-20 years that can fit into most family situations. The Chuandong Hound is a scent hound that is still highly prized in the East Sichuan area of China. For more information have a look at our website.

Unbeatable Varnish for a Range of Uses

Le Tonkinois Varnish is a specially designed varnish that was first formulated back in China almost three centuries ago. The natural oil based yacht varnish comes with a range of excellent benefits, including being permanent, removing brush marks, not cracking or flaking off.

On top of that, the varnish boasts exceptional corrosion protection for metals and has a durable coat too, meaning it can withstand impact without peeling or cracking.

The highly raved about varnish can be seen on yachts and boats, whether in fresh water, sea water, or sludge up and down the country. Not only that, but you can also use Le Tonkinois Varnish in kitchens, outdoor and interior woodwork.

As a result of being fully waterproof and non-microporous, the varnish is resistant to boiling water, alcohol and has even been classified as safe to use in food areas.

Le Tonkinois Varnish can also be used to stain wood, and pigments can be mixed in with the varnish if a particular colour is desired, whilst still allowing the wood to breathe, a feature not typically found among other varnishes.

The varnish is also naturally glossy and can be made matt or satin with an additional coating of Gelomat.

If you would like to find out how you can get your hands on some of the remarkable Le Tonkinois Varnish, or would like to find out how you can use it for your own needs, then be sure to get in contact using the number below.

USING YOUR HOME...

Your house, however humble or grand, will provide a great holiday base for someone else. Your locality, so familiar to you, has lots to offer to someone new to the area.

SECURITY

There is a huge rise in house burglary when occupants are away from home. By house swapping you have automatic Christian house sitters! When people register with us, we contact their church leader. This is for everyone's peace of mind.

LOCAL COMMUNITY

Another great feature in its favour is that you will holiday in a local community. A local person, friend or neighbour, will have agreed to give you the key, check that you are okay and to deal with any queries. That person will also be able to give you up-to-date information about nearby amenities, local events, places to visit, best pubs, good restaurants and so on.

PETS AND PLANTS...

House swappers are usually happy to water the garden and indoor plants, and feed the cat and goldfish! Mutual dog owners are generally happy for the dogs to be included in the swap!

IT'S YOUR CHOICE!...

You get to choose from the descriptions of a variety of properties, all found in the online brochure. You pay us the admin fee only when your house swap is confirmed.

There is never any pressure on you to make a specific choice...the choice is yours!

Modern and Charming Holiday Cottage

Cornwall has long been a popular UK holiday destination, thanks to its wild coastlines and breathtaking beaches. With a history steeped in mining, fishing, and farming, it is full of charming coastal villages that provide an idyllic retreat from the rush of everyday life.

One such village is Sennen Cove on Cornwall's west coast. Whilst being a popular destination, it manages to avoid being overcrowded with tourists, unlike other destinations in the area. Retaining the ambience of an old fishing village, it hosts a little harbour with its own fleet of fishing boats and has one of Cornwall's

best stretches of golden sand. Whitesands beach is a popular spot with surfers and has its own local surfing club, and Sennen Cove beach and Gwenver beach are perfect for families and surfers alike.

The ancient cove was once said to have been frequented by mermaids; these may have really been dolphins, which can still be seen in the crystal clear waters close to the coastline.

Nestled in this traditional Cornish village is Surf Cottage, an 18th-century former fisherman's cottage

This small private home consists of 3 bedrooms, 1 en-suite. The large living and dining area overlooks the beach and headland.

A peaceful and tranquil cottage where you can enjoy a glass or two of wine on the lawn or stone terraced patios in the summer or the same in front of the large open fire in winter.

Set in beautiful surroundings with easy access to local shops as well as places such as St. Ives, Truro, Falmouth and Penzance. If you enjoy the many beaches, surfing and cliff top walks then this is for you with the added attraction of private parking.

Surf Cottage in Sennen Cove some 20 minutes' walk from Lands' End was one of the original buildings in Sennen Cove and was once a small thatched cottage surrounded by its own strawberry fields.

just two minutes' walk to Sennen Cove beach, half a mile from Land's End, and eight miles from Penzance. This fantastic property boasts a number of return customers, and it is easy to see why. With a garden which overlooks the beautiful coastline, the cottage is granite-built and is surrounded by high stone walls.

The spacious living and dining area has stunning views of the coast and headlands, with a TV, DVD and CD player and a dining table that seats six. There are three large bedrooms which comfortably sleep five people, including a double room with an en-suite, a twin room with a wash basin, and a third room with a large single bed. There is also an extra power shower downstairs, along with a WC and hand basin.

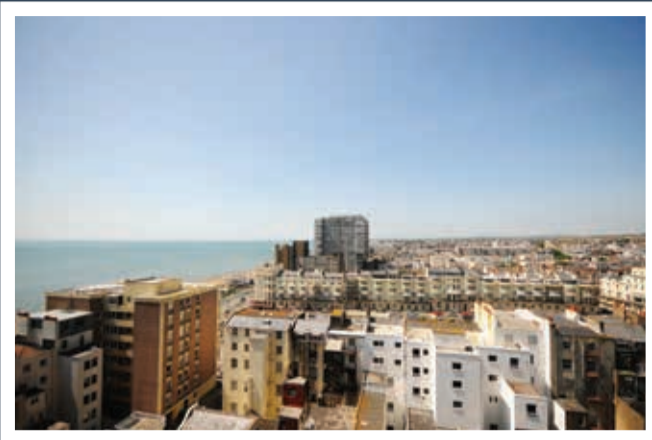

The surrounding area boasts plenty of little shops and cafés, pubs, galleries and a selection of excellent restaurants for evenings out. If you fancy a meal at home, however, Surf Cottage has a well-equipped kitchen to satisfy all of your culinary needs during your time away, as well as WiFi access and private parking. During the winter, you can be sure to stay cosy and warm in front of the open fire, and in the summer you can enjoy a meal or barbeque on the stone terrace whilst soaking up the Cornish sun and dazzling sea views.

As well as being close to local shops, Surf Cottage has easy access to walks along the South West Coast Path, as well as being a short distance from a number of popular attractions including the Geevor Tin Mine, the Minack Theatre, St. Michael's Mount, the Levant Tin Mine, Tate St. Ives, and the Barbara Hepworth Museum.

Lindholm Forres Books

Lindholm Forres Books grew from the interests of two collectors. Olga Driver, a lawyer, who also has a passion for cookery books and Michael Driver, a designer, who is a collector of toys.

Both Michael and Olga found that their respective collecting interests were not always catered for in the book world. As they had amassed a considerable amount of information through collecting and research they decided to go into print.

They hope that the books by Lindholm Forres will add to the knowledge of existing collectors and will lead to further research to inspire a new generation of collectors.

Lindholm Forres Books are also occasionally able to offer some secondhand cookery books and old toys.

Please take a look at some of our current books.

If you are interested in, or have any questions on any of our titles, please get in touch and we will be more than happy to help.

ANCIENT FAMILY ROOTS

For All Our Grandfathers:
 First Ever Family Lineage from 4026 BC to 2008 AD

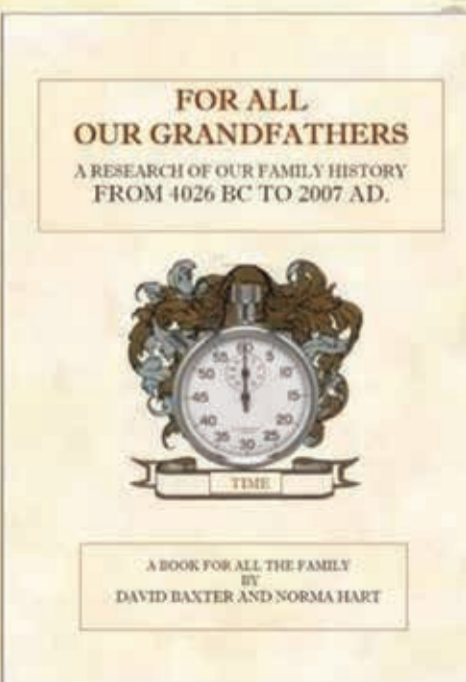

This is an ideal present for those who like true humorous and sometimes tragic stories of a family, who's members shaped the course of history. It is a very large book of 548 pages that not only give an historical, international, national, and local account of their lives and the environment in which they lived but a true account of family life of fun and tragedy.

Said by a publisher: 'it is a very valuable book that will be used by families, students and professionals for many years to come'. Although our family through no fault of their own became destitute and struggled to survive as other family branches succeeded as royalty, lords of the manor or of high profile. Many years have passed since we as children waited in a blacked out room huddled together for warmth with baited breath to hear stories told by our parents during those long wartime nights past down by many generations of our family; we realised we would have to put into print these fascinating stories of the past for you to enjoy and others yet to come together with the dramatic account our own life and times; sometimes humorous, some tragic.

Due to the exciting facts we discovered researching numerous manuscripts, books, and the bible to our amazement we were constructing a family tree that started from the beginning of time leading to the plain of Shinar with Noah's three sons.

Peaceful, stylish living at Chilton Park

Leisure Solutions is proud to announce that Chilton Park has been chosen to receive our coveted Commitment to Excellence award, for its outstanding commitment to providing high quality residential park homes in a tranquil environment.

Chilton Park is an exclusive residential park homes development, situated on the edge of the idyllic market town of Bridgwater in Somerset.

The park offers the perfect location for peaceful and relaxing retirement/semi-retirement living, with a rich selection of attractions nearby. "We're 15 minutes' walk from the town centre," explained Tony Fry, Park Manager. "This means there is easy access to supermarkets, doctors, vets and dentists, as well as the park maintaining a country feel thanks to its excellent location with plenty of beautiful scenery, walks and beaches nearby."

Indeed, Chilton Park has the best of both worlds, with a range of amenities nearby as well as being in easy reach of the picturesque Quantock Hills and the stunning scenery of Exmoor. Residents can also make use of nearby golf

courses and there are the Chilton Lakes for fishing enthusiasts. For lovers of the coast, there are the beaches of nearby Burnham-on-Sea or Minehead, with Chilton Park being only 15 minutes away from the coast.

Residents can also enjoy a brand new leisure centre just across the road from the park, featuring a gym, exercise classes, sports hall, swimming pool and much more.

"These are beautiful homes based in the heart of Somerset, and the park should be finished by December 2020. We have 45 homes at the moment, most of which have been sold, and there will be 60 homes completed by September 2020. Since I took over in February 2018, I've done my best to implement more rapid changes to ensure the park is finished, meaning each time people come to have a look at the homes, there is something new to

see. In fact, in March 2020, there will be 10 new show homes ready to view."

Specialising in Omar park homes, Britain's premier park home and holiday lodge manufacturer, Chilton Park features properties in sizes ranging from 40' x 20' to 50' x 20', with most featuring two bedrooms with en-suite bathrooms.
