## Escape to the beautiful Cornish countryside at Castle Holiday Park

Nestled snugly on the outskirts of St Columb, Cornwall, is Castle Holiday Park. Established during the 1980s, the park has dedicated some 30 years to offering a quiet reprieve from the relentless bustle of city living, and an alternative to other similar sites that come packed with arcades, bingo nights and noise.

10 miles from Newquay, and encircled by moors, beaches and woodland, the Park is a hive for wildlife. Rabbits regularly visit the park, along with an impressive list of birds and other creatures that only add to the park's beauty and character.

There is also a castle on site, which was refurbished several years ago and now resembles more of a French Chateau. What's more, visitors now have the option to stay inside it with four holiday flats available.

The site's facilities are excellent, with an onsite child's play area and heated indoor swimming

pool, as well as a laundry room with washing machine and tumble dryer and a shower and toilet block. The site also houses a selection of six birth static caravans, which let at £550 per week, and it is unlikely you'll find such a low priced caravan, with such up to date facilities, in such a wondrous area for a price as reasonable as this elsewhere.

The surrounding environment is bursting with activities; from nature trails to theme parks, the South West Coast has something for everyone, and Castle Holiday Park acts as an ideal base from which to explore the local attractions. For over three decades the Park has been bringing joy to families and holidaymakers in its own, delicately subtle way, and will surely continue to do so for decades to come. To book a visit, see the details below.

# Modern and Charming Holiday Cottage

Cornwall has long been a popular UK holiday destination, thanks to its wild coastlines and breathtaking beaches. With a history steeped in mining, fishing, and farming, it is full of charming coastal villages that provide an idyllic retreat from the rush of everyday life.

One such village is Sennen Cove on Cornwall's west coast. Whilst being a popular destination, it manages to avoid being overcrowded with tourists, unlike other destinations in the area. Retaining the ambiance of an old fishing village, it hosts a little harbour with its own fleet of fishing boats and has one of Cornwall's best stretches of golden sand. Whitesands beach is a popular spot with surfers and has its own local surfing club, and Sennen Cove beach and Gwenver beach are perfect for families and surfers alike.

The ancient cove was once said to have been frequented by mermaids; these may have really been dolphins, which can still be seen in the crystal clear waters close to the coastline.

Nestled in this traditional Cornish village is Surf Cottage, an 18th-century former fisherman's cottage just two minutes' walk to Sennen Cove beach, half a mile from Land's End, and eight miles from Penzance. This fantastic property boasts a number of return customers, and it is easy to see why. With a garden which overlooks the beautiful coastline, the cottage is granite-built and is surrounded by high stone walls.

The spacious living and dining area has stunning views of the coast and headlands, with a TV, DVD and CD player and a dining table that seats six. There are three large bedrooms which comfortably sleep five people, including a double room with an en-suite, a twin room with a wash basin, and a third room with a large single bed. There is also an extra power shower downstairs, along with a WC and hand basin.

The surrounding area boasts plenty of little shops and cafés, pubs, galleries and a selection of excellent restaurants for evenings out. If you fancy a meal at home, however, Surf Cottage has a well-equipped kitchen to satisfy all of your culinary needs during your time away, as well as WiFi access and private parking. During the winter, you can be sure to stay cosy and warm in front of the open fire, and in the summer you can enjoy a meal or barbeque on the stone terrace whilst soaking up the Cornish sun and dazzling sea views.

As well as being close to local shops, Surf Cottage has easy access to walks along the South West Coast Path, as well as being a short distance from a number of popular attractions including the Geevor Tin Mine, the Minack Theatre, St. Michael's Mount, the Levant Tin Mine, Tate St. Ives, and the Barbara Hepworth

Museum.

A modernised and renovated property, Surf Cottage still manages to retain its traditional charm, and offers self-catering accommodation all year round. If you would like to take advantage of its stunning location and amenities, contact Cathy by using the details below.

## Plan an Autumn Break

### Surfs Cottage, Sennen Cove

Granite built 16th Century Fisherman's Cottage, with surrounding high stone walls and mature garden overlooking stunning Sennen Beach and headland views. Just 2 minutes walk from Sennen sea shore. This small private home consists of 3 bedrooms, 1 ensuit. The large living and dining area overlooks the beach and headland.

A peaceful and tranquil cottage where you can enjoy a glass or two of wine on the lawn or stone terraced patios in the summer or the same in front of the large open fire in winter.

Set in beautiful surroundings with easy access to local shops as well as places such as St. Ives, Truro, Falmouth and Penzance. If you enjoy the many beaches, surfing and cliff top walks then this is for you with the added attraction of private parking.

Surf Cottage in Sennen Cove some 20 minutes' walk from Lands' End was one of the original buildings in Sennen Cove and was once a small thatched cottage surrounded by its own strawberry fields.

## A fun-filled day out with Rutland Farm Park

Located in the beautiful county of Rutland, Rutland Farm Park is a family run farm that offers guests a fun day out in the East Midlands.

The farm is located within the idyllic British countryside, situated on the remaining Noel estate that dates back to the Victorian era. Because of the property's age, the farm features a selection of Victorian farm buildings and structures, in addition to a range of exotic plants and blossoms, including rare Himalayan flowers and bamboo.

After a long closure that was caused by the infamous foot-and-mouth crisis in 2001, the farm re-opened last year due to popular demand. The farm's owners, the Ball family, wanted to welcome guests back onto their premises to encourage wildlife conservation and educate groups on the natural world.

The Ball family work hard to conserve rare species of livestock, preserving an array of unusual and endangered poultry and cattle. The family encourage visitors to ask questions about the animals and interact with breeds to learn and develop their knowledge on conservation. A member of staff will always be on hand to answer any questions and delve deeper into the breed's history, making it the ideal location for schools to learn and have fun.

The Farm is home to a flock of Lincoln Longwool sheep, a breed that has been reared since medieval times and produces 35lbs of wool in only one clipping. The farm is also home to one of the largest Friesian Holstein bullocks in the world, towering above guests at an impressive height of 7ft. In addition to these fantastic beasts, the farm also houses a host of farmyard animals, including: ducks, geese, goats, pigs, alpacas, llamas and much more.

Once guests have explored the farmyard, they can enjoy a drink and a bite to eat in the farm's Tea Room. The Tea Room is available to guests of the farm and to the general public, allowing

everyone to enjoy a beverage and take in the gorgeous country scenery. The Tea Room can also accommodate groups of all sizes as the farm has generous on-site parking and plenty of indoor and outdoor tables.

It is important to note that all of the Tea Room's food is freshly prepared and caters to a variety of dietary requirements. This includes, but is not limited to: homemade cakes, ice creams, milkshakes, hot and cold drinks, baked potatoes and sandwiches. The Tea Room also organises a variety of events and occasions where the menu will change accordingly.

For any more information on the farm, or if you would like to view the farm's opening times, visit their website listed below. Alternatively, if you would like to book a table at the Tea Room or have any other specific enquires, telephone Rutland Farm Park on the number below.

## Le Tonkinios Varnish & Flexidisc Sander & Grinder

The Flexidisc Sanding system has been on the market for 30 years yet still remains one of the most versatile.

The Flexidisc is a system based on an exciting 5" disc sander attachment which securely fits in your drill. A highly efficient flexible shaft eliminates vibration and gives full control when presented full face to the job surface, enabling fantastic finishes.

The fast rotation gets sanding completed in a fraction of the time compared to conventional sanders. This multi-purpose tool converts into a super-fine finishing sander, bench grinder, sharpener, partial angle grinder, polish applicator and polisher.

The 'slap-on peel-off' Velcro type discs are coated in a super-tough material called Corundum. The re-usable discs do the work of 100 conventional discs and can cope with a wide range of materials from soft plaster to iron. Because they generate little heat, they can even sand G.R.P. and old paint without melting the material.

Using the 'slap-on' system, polish is

easily applied using the foam sponge, whilst a polishing cap completes the job. DA & BE Murkin are also the sole importers of Le Tonkinios Varnish, manufactured the traditional way, using Linseed oil, Tung oil & natural resins.

Slower drying, it shows no brushmarks and easily sinks into the timber. As such, it moves with the timber and doesn't crack or peel.

# Peaceful, stylish living at Chilton Park

Pickerings Parks

Leisure Solutions is proud to announce that Chilton Park has been chosen to receive our coveted Commitment to Excellence award, for its outstanding commitment to providing high quality residential park homes in a tranquil environment.

Chilton Park is an exclusive residential park homes development, situated on the edge of the idyllic market town of Bridgwater in Somerset.

The park offers the perfect location for peaceful and relaxing retirement/semi-retirement living, with a rich selection of attractions nearby. "We're 15 minutes' walk from the town centre," explained Tony Fry, Park Manager. "This means there is easy access to supermarkets, doctors, vets and dentists, as well as the park maintaining a country feel thanks to its excellent location with plenty of beautiful scenery, walks and beaches nearby."

Indeed, Chilton Park has the best of both worlds, with a range of amenities nearby as well as being in easy reach of the picturesque Quantock Hills and the stunning scenery of Exmoor. Residents can also make use of nearby golf courses and there are the Chilton Lakes for fishing enthusiasts. For lovers of the coast, there are the beaches of nearby Burnham-on-Sea or Minehead, with Chilton Park being only 15 minutes away from the coast.

Residents can also enjoy a brand new leisure centre just across the road from the park, featuring a gym, exercise classes, sports hall, swimming pool and much more.

"These are beautiful homes based in the heart of Somerset, and the park should be finished by December 2020. We have 45 homes at the moment, most of which

have been sold, and there will be 60 homes completed by September 2020. Since I took over in February 2018, I've done my best to implement more rapid changes to ensure the park is finished, meaning each time people come to have a look at the homes, there is something new to see. In fact, in March 2020, there will be 10 new show homes ready to view."

Specialising in Omar park homes, Britain's premier park home and holiday lodge manufacturer, Chilton Park features properties in sizes ranging from 40' x 20' to 50' x 20', with most featuring two bedrooms with en-suite bathrooms.

If you would like to find out more information on Chilton Park's full range of properties and their features, head to the website. Alternatively, don't hesitate to get in touch using the contact details below.

### Beautiful Gifts Jewellery & Clothing

☎ 01248 410295

f @TwmPenStrydGiftShop

Keith and Jan Roberts opened the shop way back in 1974 with the name "Moelfre Crafts" ... crafts being all the rage in those days. The original shop was really just a corrugated shack attached to the gable end of Pen Stryd. The shop prospered and in the late seventies a solid 2 storey extension was built on the site of the original shop. Due to Jan's ill health the shop was sold, but missing life in Moelfre was too much and they bought it back and reopened under the name "Twm Pen Stryd" in 2000. Once more the business prospered and it is now a very real haven for visitors and locals wanting a special friendly buying experience. Whilst jewellery is the mainstay of the business it only takes up about 10% of the space so with 4 rooms to fill the shop is full of quality gifts and interior furnishings.

Unlike many gift shops which just purchase from a few big companies, Twm Pen Stryd deals with a host of different suppliers and the stock is changing continuously, much to the satisfaction of its customers.

Two of the promotional phrases which best describe the experience of visiting the shop are ... "Welcome To A Touch Of Island Magic" and "You Are Invited Into The World Of Glamour And Glitter!"

## Beautiful Bespoke Tapestry Kits from Fernsby Hall

**B**ased in Furneux Pelham, Hertfordshire, Diana Fernsby began stitching tapestries from a young age after being taught by her Nanny. Her experience and passion grew over the years and this is evident in the stunning tapestry kits she now sells, which are based on the artwork of her lifelong friend, Catriona Hall.

We spoke to Diana about her inspiration for the business: "I watched as Catriona grew and developed her artwork, and I began to realise the paintings were perfect to turn into tapestries, and luckily she agreed." Indeed, during the 20 years that Diana spent organising charity art exhibitions, it was always Catriona's paintings that sold. Now, you can recreate these unique paintings yourself and display them in your home thanks to Diana's spectacular tapestry kits.

There are currently over 30 kits available, but this selection is ever-growing as Catriona paints new pictures to inspire the tapestries, making them anything but old-fashioned. Each kit contains a photograph of the original tapestry, instructions, tapestry wool, a needle, a printed canvas and a helpline if you get stuck. The background wool colours can also be modified to suit the customer's needs, as long as you send in a colour sample.

After you have completed your tapestry,

which typically takes between three to six months, Fernsby Hall offers a 'Making Up' service which turns your finished tapestry into a cushion or framed picture. This can be from as little as £40 depending on your fabric and edging choices. Furthermore, Diana offers lessons on how to stitch the kits and how to do the cross stitch and embroidery to embellish the piece. With the end result being so beautiful, it is easy to see how a complete beginner can become hooked.

Diana's wide-ranging customer base is a testament to the excellent quality of her kits, selling them as far away as Canada, Japan, Australia and the USA, as well as the whole of the UK. If you would like to find out more information, head to the website or use the contact details below.
